Learning Log Week beginning 30th October 2017

Stick and mud week

The children have had a great week exploring sticks and mud. We took inspiration from the book 'I am not a stick', and the children have explored ways of using sticks. This has allowed the children to be imaginative in their learning. We have made wands, flags, broomsticks, and dens. We have used sticks to paint and draw and even made a campfire to enjoy our hot chocolate and marshmallows. It has been a fantastic week with endless learning opportunities. Have a look on tapestry to see our lovely photos.

Home Learning

Please can you continue to help your child to learn the sounds, as we go through them.

Our maths focus this week has been learning and exploring 2D shapes. The children have been learning mathematical language to describe shapes, such as flat, edge or sides. Can you go on a shape hunt around the home looking for everyday shapes? You could upload your photos to tapestry for us to share with the rest of the children. Happy hunting!

Please visit our website or our blog calmoreinfantsblog.co.uk for more information and news!

Phonics

The sounds learnt this week have been:

r, j, v, y and w

We have begun to blend these letter sounds into words such as:

red, jug, van, yap and wet

Our Red word of the week is

you

We have been exploring how to use this word when we speak.

E.g.

You are very kind.

Or

Would you like a drink?

Thank you

Welcome Back!

We hope you all had a pleasant half term break and look forward to this exciting term ahead!

Reminders

In circle time, we are thinking about special people linking into people who help us. If you would like to come and talk to the children about your job please let one of the reception team know.

Have a lovely weekend!
