# Learning Log Week beginning 1<sup>st</sup> January 2018

### Welcome back

We hope you all had a wonderful Christmas with your families!  
Happy New Year 2018!

We look forward to more exciting and engaging learning with your children!

### Home Learning

It is amazing to see the children's reading diaries every week. The children are developing so well in reading. We are aware though that some children are not reading at home as there is no entry in the diary. Reading is absolutely crucial for your child's progress. If you are having difficulties reading with your child, **do** come and see us. We can give you lots of top tips to help. Those children reading regularly at home are without doubt making amazing progress. We thank you for supporting your child in this area. Little and often is the approach we promote with reading. This week, can you and your child discuss some features of a story, for example: characters and where the story is set? We have begun to talk about these features in school and will be exploring this further in this half term.

Thank you
