Weekly Learning Log Week beginning 18th September 2017

Schools Dinners

It has been lovely to see the children staying for their school lunch. They have settled into their new routines very well and we hope you have enjoyed the photos we have displayed over the last few days. Look out for some photos in this week's newsletter!

Phonics

Next week we will begin teaching your children phonics, learning a sound a day. On Monday 2nd October, we will be holding a phonics talk for parents/ carers in the hall at 2.30pm, to show you a typical phonics session. We look forward to seeing you there!

Baby Clinic

We have been learning how to look after our baby dolls. We washed and changed our babies, fed them and took them to the clinic to have them weighed.

Home Learning

Maths: This week we have been

exploring our outdoor environment and counting how many acorns we can collect. Our outdoor shed has been turned into a 'number nook'. We are discovering all sorts of natural materials to help us with our counting. **Our challenge:** Can you say what is 1 more than a given number up to 10, using objects to help us?

E.g. What is 1 more than 4? What is 1 more than 6?

Thank you for all the cooking money that has been sent in! If you haven't already done so, please can we remind you to send the cooking money as soon as you can, to enable us to begin our cooking sessions. Thank you!

Reminders that library and P.E will be on a Thursday. Next week we will introduce the children to getting changed for our P.E session!

Have a great weekend!
