

Ducklings

Penguins

Learning Log Week beginning 20th November 2017

Hillier's

We had a fantastic time at Hillier's, we had a full day of learning. Firstly, we decorated large fir cones and these will come home before Christmas. Then we collected items to make a birds breakfast, bringing some of the collected items back at school to make our own. After lunch we searched for mini beasts and made our own habitat for wild animals. Thank you to the parent helpers who came with us; we really could not do trips without your help.

Home Learning

With a grown up, can you go for a walk and take some photos or draw some pictures of what you see? Can you find different leaves? Or acorns? Did you spot any minibeasts, animals or birds? You could upload your photos to tapestry so we can share them with the rest of the class.

Please visit our website or our blog calmoreinfantsblog.co.uk for more information and news!

Phonics

We have now split into phonics groups. Please encourage your child to Fred talk words.

fish, pink, thing, chop, stink

These green words contain special friends. We use the mantra of:

Look for special friends

Fred talk the word: sh-o-p

Blend it

Our Red word of the week is

are

We have been exploring how to use this word when we speak. E.g.

Are you going to the park?

Or

How old are you?

2D shapes in our environment

In maths we have been consolidating our learning of 2D shapes. We were shape detectives, particularly focusing on shapes we could see in the environment. For example a circle clock face or a rectangular window.

Reminders

Please ensure your child's library and reading folder are always in their book bags. We visit the library every Thursday.

Reading folders will be looked at on a regular basis and collected in on a Wednesday.

Have a lovely weekend!
