Learning Log Week beginning 29th January 2018

Challenge time

Can you challenge yourself and hold your body in this position for a count of 5, 10, 15 or more? We call this the Super-hero position as we think he may fly off around the earth! Let us know if you can do this too and send in a photo to Tapestry so we can share it with the class!

Healthy Eating Week

This week we thought about the food groups that keep us healthy. We had special visitors in from Hampshire County Council who showed us a variety of foods that are good for us, some that are not so good and some that may be ok for a treat!

What are your favourite foods?

Please visit our website or our blog calmoreinfantsblog.co.uk for more information and news!

Thank you for so many Gingerbread postcards! The children have enjoyed receiving them!

Phonics

We continue with daily phonics groups. Please encourage your child to Fred talk as many words as they can. Look out for red words too!

Kinetic Writing

We have almost completed our next family of letters: the 'Abracadabra Family' and we will be sending out some more handwriting sheets in your child's handwriting folder!

The children have been so proud to show us their completed handwriting sheets! It is wonderful to see their enthusiasm for learning!

Reminders

We collect in reading diaries on a Wednesday, change books that have been read and return them to you on a Thursday or Friday. **Thank you for such lovely comments in your child's reading diaries – they are a pleasure to read!**

Next Wednesday is our very special Marie Curie Assembly. That day we can wear yellow and green!

Thank you for encouraging your child to leave their toys at home. We don't want them to get lost around the school. We will let you know of special occasions when your child can bring a toy in to show and tell.
