

## Reception Spring 2 Term Newsletter

Welcome back and we hope you had a lovely week off with your families. This half term we will be starting with our special themed week of Aliens Love Underpants! We will then move onto looking at other authors and famous stories during Literacy. We will be exploring Shape, Space and Measure in Maths, including 2D and 3D shape, money and time. As the days become lighter and longer, we will be talking to the children about spring, and new life – this will link into our farm visit in May. We will finish off the half term thinking about Easter and what it means to us!

### PE Uniform

Please make sure that your child's PE uniform is clearly named and in school. This half term we are very lucky to have Sports Coaches in teaching our children tennis skills. Please can you make sure your children have the appropriate footwear in for tennis, e.g. plimsolls or trainers.
