

Year 1 Half term homework challenge.

Next half term we are learning all about traditional tales.

Over half term we would like you to read different traditional tales and write which one is your favourite explaining why you like it.

Challenge: Where is the most unusual place you can read?
Can you take a photo or draw a picture of where it is?

Remember the school's Milly's Maths Challenge too - shape hunt - Children to create a poster showing different objects and their shapes.

We really would like Year 1 to win again this half term.

We hope that you have a wonderful half term

From the Year 1 team
