

Ducklings

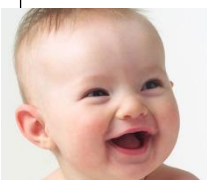

Penguins

Learning Log Week beginning 12th March 2018

PSHE

This week we have been exploring growth and change. We looked at ourselves and how we have changed since we were babies. We labelled parts of our bodies and discussed foods that are healthy for us. We also looked at growth and change in our environment by exploring seeds and bulbs and what becomes of them.

We have set up a garden centre in our outdoor area to continue to explore planting and growing next week!

Maths - money

What can you buy with these coins?

What can you save for?

1p is a small bronze coin, it's light and it's not worth a lot

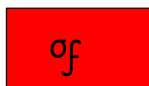

but save it up, it all adds up you'll see!

Phonics

We continue with daily phonics groups. Please encourage your child to Fred talk as many words as they can. We have been teaching set 2 sounds in phonics. E.g. 'ee' what can you see?

Can your child read all these ee words: see, bee, sleep,

Can you have a go at reading this red word? How can we use this word when we speak?

Reminders

Thank you for supporting us with the wonderful cake sale! We really appreciate it!

Next week is Parents Evening. We are looking forward to sharing your child's progress with you!

Enjoy your weekend!
