

Ducklings

Penguins

Learning Log Week beginning 19th March 2018

Maths

This week we explored measuring our height. We worked as Bert Bees to discover who was the tallest and who was the shortest in our colour groups. Following on from this, we investigated the language of shortest and longest and compared items we found around the classroom to see which one was shortest or longest. The children had great fun measuring things and themselves!

Literacy

This week we had a problem from the Easter Bunny- How could he deliver the eggs if there was snow? The children provided their suggestions as to how the bunny could travel about and the children wrote this down in their new literacy writing books!

Phonics

We continue with daily phonics groups. Please encourage your child to Fred talk as many words as they can. We have been teaching set 2 sounds in phonics. E.g. 'igh' - fly high

Can your child read all these igh words: high, sigh, might, light and bright,

Red words

Do your children know these red words?

**said, me, my, to, of,
no, I, the**

Reminders

We break up next Thursday 29th March for our Easter Holidays!

Your children were an absolute credit to you when our special visitor was in school this week. Their behaviour was impeccable!

We will return PE kits home next Thursday after our final PE session.

Enjoy your weekend!
