

Ducklings

Penguins

Learning Log Week beginning 21st May 2018

Zog

This week we have written a description of Zog, we tried hard to use ours sounds and use some describing words. Here is a sneak peek of what some of the children wrote:

"Zog was the biggest and keenest dragon."

Zog can fly in the sky.

World book day

It was so lovely seeing so many lovely costumes for world book day. We enjoyed talking about our favourite stories. The children enjoyed watching the staff performance of Goldilocks and the three bears. Look out for it on our school blog!

Challenge time

Can you balance a bean bag (or something flat) on your head and walk around without it falling off? Just like we did in PE. Remember to use only your eyes to look, not moving your head.

Reminders

We look forward to seeing you back at school on Monday 4th June.

Dates for your diary next term:

Pirate and Mermaid day Tuesday 19th June

Move up day – Thursday 5th July

End of Year R assembly – Thursday 12th July at 9am!

Thank you for your continued support and have a lovely half term!

Maths focus

This week we have been consolidating our learning of teen numbers. We have discussed that a teen number is made of a ten and some ones. We often say that the ten is a bossy number, to help the children remember the order of the numbers.

$$10 + 3 = 13$$

This week we have talked to the children about staying safe, and reminded them not to use the play equipment before or after school, this includes the year R area too. Also if your child needs to use the toilet before school starts, please can they go through the main office. The year R gates are to remain closed until the bell goes. In readiness for year I, could you encourage your child to walk in independently from the year R gate. Thank you for your support.
