Penguins

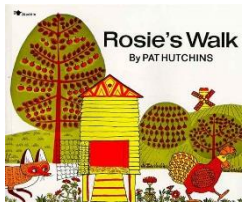

Learning Log Week beginning 16th April 2018

Welcome Back!

The children have had a great week back in school. It appears they have also grown over their two week break and are looking very ready for the change that begins to occur from Year R into Year 1 later this year!

Literacy

We read the story Rosie's Walk and discussed where else Rosie could visit on the farm, making sure the fox did not catch her. We had a go at writing our ideas down, thinking about using a capital letter to begin our sentence, finger space between each word and a full stop when we have finished our sentence. We will continue to work on writing sentences and stories, using our own ideas!

Please visit our website or our blog calmoreinfantsblog.co.uk for more information and news!

Phonics

We continue with daily phonics groups. Please encourage your child to Fred talk as many words as they can. We have been teaching set 2 sounds in phonics.

We are sending out some red words for your child to share with you. Please help your child to learn and read these words.

Many thanks

Maths

Our first week back has included us re-visiting numbers to 20, addition and subtraction, in preparation for next week's number bonds learning!

Reminders

As the weather is getting warmer, please could you send a named sun cream and hat into school. The cream can be left in school and your child can apply it during the day.

Please could reading folders be left in your child's book bag. We listen to readers throughout the week and like to update books and reading diaries.

Thank you for your continued support and have a lovely weekend.
