

Ducklings

Penguins

Learning Log Week beginning 23rd April 2018

PE

We continued our physical development activities outside again, learning how to throw a vortex, throwing bean bags into a hoop and keeping score, dribbling a football around cones and practising our basketball skills!

The children thoroughly enjoy their PE sessions! Well done Year R!

Maths

This week we have been learning our number bonds to 10. Can you tell your families at home how to do this using the part-part-whole method?

Can you think of anymore?

Please visit our website or our blog calmoreinfantsblog.co.uk for more information and news!

Phonics

We continue with daily phonics groups. Please encourage your child to Fred talk as many words as they can. We have been teaching set 2 sounds in phonics.

We are sending out some red words for your child to share with you. Please help your child to learn and read these words.

Many thanks

Challenge time

How many press ups can you do in 30 seconds? Upload your pictures to Tapestry for us to show the class.

Reminders

Next Thursday 3rd of May is our school trip to Longdown farm. We are very excited about our day out Please keep an eye on the weather forecast and clothe your child appropriately, however wearing their Calmore School Jumper to be included. Sun hats if the weather is warm or rain jacket for showers etc.

We will notify you at the end of the school day on Wednesday once we know what the weather may do!

Thank you for your continued support and have a lovely weekend.
