

## Ducklings

## Penguins

# Learning Log Week beginning 18<sup>th</sup> June 2018

### Pirate and Mermaid Day

The children had a fantastic day and we would like to thank you for the variety of fantastic costumes. During the day, the children spent time with their friends in the Ducklings or Penguins class participating in different activities. The activities included: decorating pirate or mermaid biscuits, wax crayon painting of sea creatures, singing sea shanties and playing musical instruments and finally playing games and exploring the pirate ship. It was such a lovely day and all children enjoyed receiving their pirate and mermaid training certificate!

### Sports Week

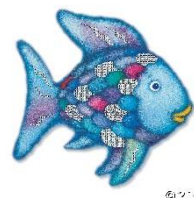

Next week the children will participate in sports week, to enable them to access the variety of sports. Please send your children in their school uniform and we will change them in school. The children will try: rugby, cricket, dance, yoga and curling. It promises to be an exciting week.

### Reading

We are continuing with our guided reading groups. This week we have been reading the story of Rainbow fish and discussing what makes a good friend? The children were able to talk about what is needed to be a good friend and give their reasons why?

When you are reading with your child at home, you could ask them questions about what they have read. This helps to develop comprehension skills and a more confident reader.

### Reminders

Profile day – you will receive an email from Julie to enable you to book an optional appointment to discuss your child's report and progress this year with Mrs Goodey or Mrs Richman.

School Fayre – Saturday 23<sup>rd</sup> June – 11.00am – 1.30pm please come along to support the day.

Have a lovely weekend

The Year R Team
