Learning Log Week beginning 25th June 2018

Sports day

The children had a fun packed week of sport, it was great to see the children embrace a challenge and learn a new skill. It was good for the children to experience using equipment they were unfamiliar with.

Sports day was a huge success, thank you to all who came to support your child in their first sports day.

Sponsored Sports Morning

The sponsored sports morning was a huge success, we worked hard to keep all the children in the shade, whilst participating in their activities. Each class worked through a rotation of activities, encouraging sporting behaviour and working together as a team. If you haven't already returned your sponsor form and money to the office, please could you do so as soon as possible.

All About Me books

We will be sending home your child's very special All About Me book on Monday. This is for you to update with any photos or news that you feel relevant. Please could the book be returned by July 16th ready to move up to your child's new year 1 class for the Autumn. Thank you

Tapestry

We are reaching the end of the school year and with only 3 weeks left, it is time for us to close down your child's tapestry account. We will be uploading the final observations and sending you the link to download your child's tapestry account, by next Friday the 6th July.

Please come and talk to us should you have any difficulties accessing your child's learning journal. Thank you

Reminders

Move up day – On 5th July the children will spend the day in their new class for year 1. We work hard to ensure the transition to year 1 is a smooth one. If you have any concerns, please speak to the class teacher.

This week was our last week for our weekly visit to the library. Please could all library books be returned by the end of next week.
Thank you.
