Learning Log Week beginning 3rd July 2018

Move Up Day

The children had an enjoyable taster day in their new Year 1 classes on Thursday 5th July. They returned back to us with excitement and chat about their day!

Next week we will be writing a postcard about our time in Year R. What has been your child's memorable moment, special friendships or new learning?

Phonics

With 2 weeks left of the school year, we will shortly be collecting all phonics books in. We continue to teach phonics daily to support reading and writing.

We feel very proud of how far the children have come with their reading.

Thank you!

Reminders

It is our end of Year R assembly next Thursday at 9am! The children have been practising hard for their special assembly and we hope that you can make it.

Thank you for signing up to your child's profile day next Friday the 13th or Monday the 16th. We look forward to celebrating your child's achievements with you.

The Year R Team
