## Cooking Money

Dear Parents and Carers

Soon we will be introducing cooking into our Year R curriculum. We cook a range of food in Reception, anything from stir-fry to soups, from bread to baked goodies. The food we cook is often eaten in school or it may sometimes go home with the children.

In order to fund this exciting part of the curriculum, we ask for a donation of £3.00 per child per term.

Please can you send your £3.00 donation for this term in an envelope labelled with your child's name and marked 'cooking money' as soon as possible. We are keen to get cooking and it is always an activity that the children enjoy!

Many thanks, The Year R team
