Learning Log Week beginning 16th July 2018

Happy Summer Holidays!

We have had a fun filled last week of term which included, watching the Year 2 leavers' assembly, a Ukulele concert and a special assembly on the last day of term.

A box of jelly babies appeared in our classroom on Wednesday and our challenge was to care for our jelly baby by making it a home, naming it, writing a story for it and keeping check on it. However we were not allowed to eat it! We passed this challenge with flying colours, demonstrating how ready we are for the exciting adventures in Year II!

And at this point we would like to say what a pleasure it has been to teach your children during their first year at school. We have enjoyed sharing their learning journey and wish them every success as they move on to Key Stage I.

We wish you all a wonderful summer holiday and hope that the sun continues to shine on for us all!

With Best Wishes,

The Year R Team
