## Learning Log Week beginning 24<sup>h</sup> September 2018

Welcome to our weekly learning logs. We will send these out by email every Friday afternoon to inform you of your child's learning during the week!

This week we have been enjoying the first signs of autumn. We have been making woodland animals out of autumn leaves and went on our first welly walk. The children loved getting out in the fresh air using their senses to identify the different signs of autumn. The children had their second P.E lesson which was hugely successful. We have finished the week by learning some French!

Please visit our website or our blog [calmoreinfantsblog.co.uk](http://calmoreinfantsblog.co.uk) for more information and news!

### Phonics

The sounds learnt this week have been:

t (tower)

i (insect)

n (net)

p (pirate)

Please look out for our tapestry podcasts on how to learn our phonics!

We expect your children to be tired this weekend after their first full week in school. The children have done incredibly well to settle and become immersed in school life. We are thoroughly enjoying teaching your children and are impressed with all the learning that has taken place so far.

### Reminders

Please send in cooking money as soon as possible so we can start cooking some goodies in the upcoming weeks. Thank you to our families that have already sent in the money.

In the interest of safeguarding, please contact the office if somebody different is collecting your child from school so it can be recorded in the class diary.

We will be going on weekly welly walks on a Tuesday so please ensure your child has wellies in school.

Next Tuesday 2<sup>nd</sup> October at 2pm is our Phonics talk in the school hall. Do come and join us if you can to discover how we teach phonics and how you can support your child at home with early reading!

Have a lovely weekend! The Year R team
