The Parent/Carer:

I/We will aim to:

Ensure an adult accompanies my child to and from school, sees them into school and collects them at the end of the session. Inform the school about any changes to arrangements for bringing or collecting my child.

See that my child goes to school regularly, on time, properly equipped and dressed in named uniform. Inform the school before 9.30a.m. if my child is to be absent, giving reasons for the absence.

Support my child's learning by reading at home regularly and completing homework and spellings and any other homework

Inform the school of any issues, concerns or problems that might affect my child's work or behaviour, e.g. parental separation, illness within the family or bereavement.

Support the school's Behaviour and Anti-Bullying Policies.

Get to know about my child's life at school e.g. by reading the weekly newsletter, school website and attending consultations and reading the school website.

Be respectful and considerate towards members of the school and local community e.g. speaking calmly to us, parking and driving responsibly and respecting our neighbours' property.

Speak to school staff about any concerns I may have—no adverse comments about children, staff or the school should be posted on social network sites including Facebook.

Keep the school up-to-date with contact details, including mobile phone numbers.
