The Time Capsule Challenge

We are all living through history right now!

In the future children will learn about this period of time in their history class, so let's make a time capsule to look back on in the future!

What you will need:

- A box**
- Paper and pens**
- Scissors, paint and glue**
- A camera, computer and printer (optional)**

Step 1

Write a letter to your future self.

Include:

- **Your Age**
- **Who your best friends are**
- **Your Favourite TV programme, song, movie, book etc...**
- **What is going on in the world right now**
- **How you are feeling**
- **What you want to be when you grow up**
- **Things you want to do when you're an adult**

Step 2

If it is safe to go out, get yourself a newspaper. (If you are unable to go out you can get the news online)

Cut out or print the articles that you think will be important in the future.

Step 3

**Draw a picture of you and your family.
(Make sure to include any of your pets)
Colour and decorate as best you can!**

Step 4

Take some pictures of what you are doing today, how your bedroom looks, your pets etc, and print them out. (if you want you can make a scrap book of them)

DAY 6...

**Decorate your box. You could wrap it in wrapping paper, stick stickers to it, paint it or colour it. Be as creative as you like!
(Write the date on it somewhere)**

Once you have done that, fill it with all of the things you have created in the previous steps.

Then put your completed time capsule away somewhere safe. Try to put it somewhere where you can forget about it for years to come. (the attic or in the back of a wardrobe are always good options or you could even bury it in the garden and dig it up with your grandchildren!)

And Finally...

**We would love to see your time capsules!
Send us a picture of you completing your
'Time Capsule Challenge' to have the
chance to be featured on our stories!**
