Dear Parents,

The children have continued to settle in to school; we staff have commented that they are really trying to persevere at tasks and keep concentrating which is good. The grounds work in the year 2 area has been delayed until next week but we are waiting patiently.

Thank you for sending in the children's reading folders, we were really pleased to get our books back. We are encouraging the children to be independent and make sure that they bring it in to school every day. Please talk to your child about how it is their responsibility and not yours!

This week the children have all taken part in a cricket session in addition to their class PE. Miss Mayne, our PE leader, has arranged this through our sports partnership. They have really enjoyed learning cricket skills and working together as a class to play some fun games.

Thank you to the Year R parents who joined our set 1 phonics talk this week. I will be repeating it on Monday 22nd March at 1.30pm. We cannot wait until we can invite you in to school for talks again.

Easter Trail – Please note that the poster we sent home did not mention that the payment is through paypal. Go to paypal, pay friends and family and put in [atouchofsparkle4@gmail.com](mailto:atouchofsparkle4@gmail.com). When you have paid, The Friends will send you the Trail. Thank you for your support.

Special Mention: A special mention goes to Evan for working really hard with his reading, he has practised regularly and made lots of progress. What a true Toby Tortoise.
