

Tuesday 20 April

Dear Year 1 Parents and carers

We hope you had a wonderful Easter, and started to enjoy some sort of normality in the last week. The children have settled back really well and we are all excited to start our new learning this half term. This week in PSHE we are focusing on being proud of ourselves and thinking about how our actions can affect others. We are reading story books promoting differences and celebrating that we are all unique.

This term we will be learning all about animals, thinking about the different categories of animals, their diet and how to care for them. Our role play will be a vets and we are hoping to invite a vet into school to talk to the children about how to care for animals. We are lucky enough to have the farm coming into school on Thursday 29th April, as well as some other animals to care for and learn about, including a dog, hamster, chickens and rabbits.

Come and help

As always, we really appreciate voluntary help, so come and speak to us if you are interested in listening to readers or helping around the classroom. We would also appreciate small boxes, tubes and small items to be used in our making area.

Reminders

Please remember to label all of your children's belongings, especially school jumpers as lots of children are taking them off at lunchtimes and are having trouble identifying which jumper belongs to them.

Also please ensure that book bags and reading folders are in school every day.

The Year 1 Team
